

High School Coaches Clinic

Presented by the
Moorland Tennis and Pickleball Club

Saturday, February 24, 2018

9:00 am - 12:00 pm

Cost: \$25.00 first coach, \$20 for each additional coach from same school

Moorland has had a strong relationship with local high school coaches for many years and will be hosting our very own coaches clinic this spring. Our goal is to provide a place for coaches to learn new ideas, observe new drills, and help create lesson plans for the upcoming season. This single morning event will be geared primarily toward large group lesson planning and have a focus on getting the most out of the space that your school provides for your team. The clinic will include three presentations followed by lunch at the club.
